## **T LEVEL LOCKER ROOM CLEANOUT**

The T-level locker room has a lot of items not contained in lockers. (mattresses, bicycles, boxes, etc)

**Fire regulations require all aisles be clear of any obstructions or obstacles.**

Because there is an excess of abandoned items in the aisles, T-level locker room users have 10 days (until June 24, 2012) to remove any items not contained within a locker after which time all improperly stored items will **be discarded**.

Thank you for your understanding and cooperation.
