Annual In-suite Fire Alarm and Safety Equipment Testing

Please be advised that Simplex Grinnell, accompanied by Condor Security, will be conducting the annual inspection of the in-suite fire alarm and safety equipment.

Below is the schedule for this work to be completed.

Monday, January 26th - Floor 38 to 35

Tuesday, January 27th - Floor 33 to 28

Wednesday, January 28th - Floor 27 to 21

Thursday, January 29th - Floor 20 to 15

Between the hours of 9am to 5pm

**Access to your suite is a mandatory requirement
as per the Ontario Fire Code.**

Kindly ensure that any additional locks and chain locks are unlocked during the above noted dates. To update our records, ***Condor Security will be inspecting for additional locks and key changes.*** If no access is provided, additional charges due to callbacks will be forwarded to the individual suite owner. Any fire safety devices, which have been tampered with, and faulty smoke detectors will be repaired following the annual testing at the owner's expense.

In the case of an actual fire emergency during the testing, you will be advised accordingly.

Yours truly,
