## NOTICE

### **Elevator Maintenance and Services**

The Board of Directors have taken action to improve elevator services for the residents of TSCC 1525.

A new company, True Canadian Elevator, have recently been contracted to maintain the elevators. The maintenance schedule for the elevators have increased and we are also looking at possibly replacing major components of the elevators.

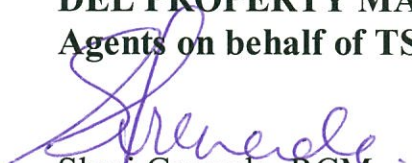

We are confident that these improvements will be a benefit to the residents. However as a result, you may experience longer than usual wait times while the elevators are completely reviewed and repaired over the next several weeks.

We sincerely thank you for your patience during this transition.

Yours truly,

**DEL PROPERTY MANAGEMENT INC.**
